

Greetings from the Hastings Chamber of Commerce & Tourism Bureau, the official organizers of Hastings Rivertown Days!

After a very successful festival in 2022, the Rivertown Days committee is excited to move forward with plans for 2023! **Please mark your calendar for July 21-23, 2022.**

Through some amazing technology, we discovered that over 18,000 people from five different states attended portions of our event! We hope to grow this number in 2023 with additional events, high-quality music & entertainment for all to enjoy. **This is only possible with help from generous supporters like you!**

It is our hope that you can find a contribution level from the enclosed document that will work for you. The team at The Hastings Area Chamber of Commerce & Tourism Bureau is available to answer questions on sponsorship levels or to discuss other opportunities.

In addition, if your business or organization is interested in hosting an event during Rivertown Days weekend, please let us know! Historically, this festival came together when multiple entities came together with a variety of events. We would LOVE to assist you in the marketing of something great. Please remember any event using the "Rivertown Days" name must run through the Hastings Area Chamber of Commerce – and we are excited to work with you!

To find out more about Rivertown Days; including ways to get involved through volunteering, selling buttons, or hosting an event, visit www.rivertowndaysmn.com.

We look forward to having you join the largest weekend celebration of the summer!
